**Re: *Alex Parkinson v. The City of New York, et al.*, 21 CV 4113 (JPC)  
Extension Request**

Your Honor:

I represent Plaintiff. I write to request an extension of today's deadline to file the stipulation of dismissal up to and including August 1, 2022. Defendants consent to this request. This is the first request for an extension of this deadline. The reason for this request is because I am awaiting the signed settlement paperwork back from the Plaintiff, Mr. Parkinson. This process is taking longer than usual because Mr. Parkinson is currently detained at Rikers.

I apologize for not filing this request before the 48-hour extension request deadline and ask that the Court excuse this oversight. I recently gave birth to my second child three weeks ago and intended to file this request two days ago but have had limited time.

Plaintiff thanks the Court for its time and consideration.

Respectfully submitted,

  
JESSICA MASSIMI

The Court grants this extension request. If the parties have not filed a stipulation of dismissal by August 1, 2022, then the parties shall file a joint status letter by that date.

The Clerk of the Court is respectfully directed to close the motion pending at Docket Number 39.

SO ORDERED.  
Date: July 5, 2022
